Shrewsbury Board of Selectmen  
100 Maple Ave, Shrewsbury, MA 01545

Dear Board of Selectmen,

This correspondence is a follow-up from the May 15<sup>th</sup>, 2017, Annual Town Meeting adoption of Article 12. As you are aware, not only did Town Meeting members vote to go on record opposing the West Boylston Lateral Pipeline proposal but an additional 600 citizens signed a petition to that effect as well. Shrewsbury residents have made it clear that they do not want this project in their town.

As lead petitioner for Article 12, I am requesting the following next steps towards honoring the vote of Town Meeting.

1. Board of Selectmen to vote to Rescind Survey Authorization from Algonquin Gas Transmission on all town owned land (Authorization had been granted by the town manager on 09/04/15)
2. Board of Selectmen to vote to become an "Intervenor" once Algonquin Gas Transmission files its formal application with FERC.
3. Town Clerk to send letters notifying the following of the adoption of the resolution by Town Meeting:
  - Algonquin Gas Transmission
  - FERC (FERC docket #PF16-1)
  - Governor: CHARLES D. BAKER
  - Lieutenant Governor: KARYN E. POLITO
  - Attorney General: MAURA HEALEY
  - Congressional: JAMES P. McGOVERN
  - State Senate: MICHAEL MOORE
  - State Representative: HANNAH E. KANE
  - Executive Office of Energy and Environmental Affairs: MATTHEW BEATON
  - Massachusetts Department of Environmental Protection: MARTIN SUUBERG
  - U.S. Senator: ELIZABETH A. WARREN
  - U.S. Senator: EDWARD J. MARKEY
4. Conservation Commission to remove the agenda item for the Public Meeting regarding the Request for Determination of Applicability filed by Algonquin Gas Transmission, LLC c/o Mike Tyrrell for soil borings at Zero Pond View Drive and 256-272 Main Street. Continued until June 20, 2017
5. Town Manager to create webpage on town website for general information, history, and status of the pipeline project including the resolution of opposition to the pipeline - [shrewsburyma.gov/pipeline](http://shrewsburyma.gov/pipeline)
6. Town Manager to send letter to abutters to inform them that Town Meeting voted to oppose the pipeline and direct them to the newly created [shrewsburyma.gov/pipeline](http://shrewsburyma.gov/pipeline) page for more information on the project.

The favor of a reply is requested.

Sincerely,  
Gail Aslanian, TMM Precinct 1, 285 Main Street
