

**TOWN OF SHREWSBURY
ANNUAL TOWN MEETING
MAY 15, 2017**

**Article 12: (By Petition) "West Boylston Lateral"
Natural Gas Transmission Pipeline**

VOTED BY STANDING VOTE, YES, 166: NO, 39 a motion to end debate and vote printed motion under Article 12.

Finance Committee voted 4 in favor and 5 opposed to Article 12.
Selectmen voted 1 in favor and 4 opposed to Article 12.

VOTED BY STANDING VOTE, YES, 120: NO, 91 a motion to approve a resolution opposing the "West Boylston Lateral" natural gas transmission pipeline in the Town of Shrewsbury as follows:

WHEREAS, the "West Boylston Lateral" high-pressure 16" natural gas transmission pipeline as proposed by Enbridge would be located in the Town of Shrewsbury as follows:

- in close proximity to the Shrewsbury High School and residential housing;
- under the town's water resources of Flint Pond, Old Mill Pond, and Newton Pond;
- through the Shrewsbury Aquifer Protection Overlay District;

THEREFORE, BE IT RESOLVED, that the Shrewsbury Representative Town Meeting goes on record as opposing the "West Boylston Lateral" natural gas transmission pipeline in the Town of Shrewsbury.
