September 25, 2018

Massachusetts State House  
24 Beacon Street  
Office of the Governor  
Room 280  
Boston, MA 02133

Dear Governor Baker:

The Westborough Board of Health urges you to direct the relevant departments to conduct independent studies on the potential impact of natural gas infrastructure projects on public health in the Commonwealth.

Legislation should also be adopted to empower local cities and towns to have input over natural gas infrastructure projects in their jurisdiction.

Sincerely,

Alan M. Ehrlich, M.D.  
Chairman

Nathan Walsh, Ph. D.
